Montana NASA EPSCoR Travel Program

The Montana NASA EPSCoR Travel Program will provide funding for:

EPSCoR |

- MSGC-member campus faculty to travel to NASA Centers or Headquarters.
- Visits to MSGC-member campuses by NASA personnel or other established, prominent scientists and engineers from universities and industry working in NASA-related fields.
- Other appropriate national meeting, student travel associated with a NASA-related research project, etc.

Through the travel program, NASA EPSCoR seeks to encourage the development of new collaborations, projects and proposals, with the ultimate goal of fostering the growth of NASA related funded research at Montana institutions. Foreign travel is not allowed under this program. A hard copy post-travel report should be submitted to the Montana Space Grant Consortium Office within two (2) weeks of the completion of travel. Call (406) 994-4223 with questions.
