STEM Student Professional Skills Symposium

Save the Date

When: Saturday, October 20, 2018 from 9 AM to 4 PM

What: Have you ever thought about or asked the following questions:

- I'm undecided on a career. What will help me decide?
- I know where I am headed but how do I get there?
- How do I get over all the obstacles?
- What professional soft skills should I develop to be successful?
- Who can answer my questions?

The goal of the symposium is to help Montana STEM college student participants formulate a plan for their success. This unique opportunity will bring together 175 students just like you from across Montana to participate in an interactive day filled with activities to build your skills starting from any level.

You can be one of these lucky student participants. Talk to your MSGC Affiliate Representative early and get one of the spots reserved for your school if you are interested in attending. Representative contact information is located at <http://spacegrant.montana.edu/members.html>.

Where: Museum of the Rockies in Bozeman

Cost: No Fee. Registration (coming soon) is required.

Food: Breakfast and Lunch Provided with Dinner on your own.

Travel: Carpool! MSGC will pay for 2 cars from each campus (either mileage or rental)

Spots: 8 students from each campus (If more interest contact MSGC)

Lodging: On your own

Affiliate Reps: Our meeting will be in conjunction with the Symposium
